## Gearing up for ORGATEC 2024: more top brands join the list of exhibitors

**ORGATEC has reaffirmed its status as the leading international trade fair for the future of work with impressive registration figures. A host of high-quality brands have confirmed their participation, including major industry players from the flooring, lighting, furnishing and acoustics segments.**

From 22 to 25 October 2024, the Cologne trade fair grounds will once again serve as the global meeting place for top companies, the specialised trade and interior design professionals. Innovative solutions that will shape tomorrow's world of work will be presented across an area spanning around 140,000 square metres. The primary aim of the exhibitors is to create attractive office, administration and hospitality spaces that promote teamwork, communication and social interaction, showcasing the growing shift away from rigid workplaces and towards flexible spaces that support creative and flexible ways of working.

This is the framework in which the reimagined trade fair concept will unfold, with the central Focus Areas taking pride of place. These exhibition spaces will shine a spotlight on key topics and issues of specific relevance to the target audience, offering detailed insights into future-oriented trends and developments in the industry. In addition to illustrating what the future world of work could look like, the participating exhibitors will also highlight the industry's diversity and capacity for innovation.

### **A varied trade fair experience is assured thanks to world-class exhibitors\*:**

**Flooring:** The leading suppliers in the flooring segment include Anker, Fabula Living, Infloor Giron, Interface, Object Carpet and Warli. These companies will present innovative flooring solutions exhibiting the highest levels of design and functionality.

Exhibitors that have not yet registered can select from ORGATEC’s attractive participation packages that are specially designed to foster conversations between high-quality brands and the trade audience at the event. The packages include:

- **Hybrid Interior Design:** A platform for high-end exhibitors that want to present their latest innovative collections to international interior design professionals.
- **Impulse Contract Area:** This Focus Area presents design and product highlights specifically for contract furnishing and is aimed at a trade audience of architects and planners. This package also includes an original extra: the Design Blind Date as a source of inspiration.
- **Young Innovators:** Backed by the German Federal Ministry for Economic Affairs and Climate Action (BMWK), this platform gives innovative young companies the opportunity to present their products to an international audience.

From strategic human resource development to intelligent office concepts all the way through to the sustainable design of work environments - ORGATEC 2024 has everything that companies need for tomorrow’s world of work.

### **Koelnmesse - Global Inspiration for Living, Contract and Public Spaces**

Koelnmesse is the world’s top trade fair organiser for the areas of Living, Contract and Public Spaces.

At the trade fair hub of Cologne, in addition to imm cologne and interzum, other trade fair formats such as ORGATEC, spoga+gafa, FSB and aquanale are among the internationally renowned and established industry meeting places. These fairs comprehensively represent the interior and design segment, the furniture and interior construction industries’ supplying sections, the kitchen world, all topics for the modern working world, garden lifestyle as well as public space, sports and leisure facilities and also sauna, pool and ambiente.

In addition to the events in Cologne, Koelnmesse is strategically expanding its portfolio in key growth markets around the globe like with the successful shows ORGATEC TOKYO in Japan, interzum bogota in Colombia and interzum guangzhou in China and interzum forum italy.
