The first chapter "The Child of Surprise" can now be played [here](#).

Prizes range from discount codes and additional content for popular games to merchandise and highly limited collectibles. This year's storyline will once again take players through the worlds of the gamescomVerse in 8 chapters alongside the adventurous robot EPI. The plot revolves around the trials and tribulations of artificial intelligence.

About gamescom EPIX:

The community adventure gamescom EPIX was launched for gamescom 2021. Every year since, it has offered game lovers and puzzle fans the opportunity to dive deeper into the gamescomVerse before, during and after gamescom and win numerous prizes. In 2022, the community solved over 355,000 puzzles during gamescom week alone.
