Koelnmesse Elevates the Crafting Experience with the Launch of Fiber+Fabric Craft Festival

An Unforgettable Celebration of Creativity and Community Awaits in May 2026

Chicago, IL - January 8, 2025 - Koelnmesse, a global leader in organizing world-class events, is thrilled to announce the launch of the Fiber+Fabric Craft Festival, an exciting new consumer-focused extravaganza set to ignite the crafting industry. Scheduled for May 1-3, 2026, at the Donald E. Stephens Convention & Conference Center in Rosemont, Illinois, this festival is poised to become the ultimate destination for craft enthusiasts across North America.

Igniting Passion and Inspiring Creativity

The Fiber+Fabric Craft Festival is more than an event—it's a movement to unite crafters, creators, and innovators in a vibrant celebration of artistry and imagination. Attendees will immerse themselves in a world where creativity knows no bounds, exploring the latest trends and techniques in knitting, crocheting, needlepoint, cross-stitch, felting, sewing, quilting, cosplay, and more. Featuring hands-on workshops led by top designers, interactive classes, and opportunities to meet favorite content creators, the festival promises an unforgettable experience to inspire and empower.

Together We Are Stronger

Koelnmesse recognizes the importance of unity within the crafting community.

“Our vision is to bring people together to celebrate the joy of crafting,” said Mette Petersen, President and Managing Director of Koelnmesse Inc. “By uniting our talents and passions, we can elevate the entire industry and amplify the voice of crafters far and wide.”

Leveraging Koelnmesse's Global Expertise

“As a global leader in event management, Koelnmesse is committed to supporting businesses in reaching international markets and fostering meaningful connections across continents,” said Gerald Böse, CEO and President of Koelnmesse GmbH. “With the continued growth of our handicraft industry events, we aim to broaden Koelnmesse's global footprint, providing exhibitors and participants with unparalleled access to new audiences and innovative opportunities. The strength and enthusiasm surrounding our crafting and fiber events reflect the dynamism of this industry, and we are proud to champion its evolution on a global scale.”
